Community Savings CLC Pacific Region Winter School Scholarships

Community Savings Credit Union is a purpose-led co-operative financial institution committed to building a better BC for all workers. Our mission is to financially empower our members and communities with best-in-class personal and business banking services, while supporting economic inclusivity.

We exist to unite working people to build a just world. This is our guiding principle above and beyond the products and services we provide daily.

We believe that empowerment of union members is an effective way to strengthen and engage unions' collective understanding of their purpose and the skills necessary to achieve their goals. It is with this understanding that we support the work of the Canadian Labour Congress and its ongoing labour education.

As BC's largest fully unionized credit union, we offer four memorial scholarships in the name of Gary Kroeker and Marie Decaire. Gary was a long-serving member of the Community Savings Board and was instrumental in ensuring that the Operating Engineers' Credit Union became part of Community Savings. Marie was a pioneer in the labour movement, a former Community Savings board member, and a former Union Liaison Officer. Gary and Marie advocated for the fair treatment of the working community in all aspects of life and we proudly continue their legacy and commitment with these four scholarships.

We believe these scholarships will help bring enhanced understanding, a sense of greater purpose and practical skills to the members of CLC affiliate unions throughout the province of British Columbia.
